

We don't only offer the hiking trail, but also offering a complete Retreat Weekend, with accommodation in the picturesque Philadelphia Home.

The weekend kicks-off with a delicious welcoming meal. The Saturday morning we do the hike that will take approximately 5 hours to complete. The Saturday evening you can relax on the banks of the Vaal River around the "braai-area" with the fire in the "Boma". We complete the weekend retreat on the Sunday with the "Trading floor" where we trade our sorrows and troubles, for the blessings that Our Heavenly Father has in store for us - The Philadelphia Home can also be used for overnight accommodation, or a break-away week or weekend from the hustle and bustle of city life. Come and enjoy the beautiful scenery of nature close to the Vaal River in a peaceful rustic "Farm" atmosphere where you can listen to the peaceful cooing of the doves, the morning crow of the rooster and the wonderful call of the fish-eagles from the sky above

WAY...Ancient Path...
Says YAHWEH: let us go
Stand by the cross
roads say and ask
for the old paths,
where the ancients
went in and walk on
it and you shall
find rest for your
souls.
-Is 30:21
And your ears shall
hear a word
behind you saying
This is the way
work in it when
you go, lest you
fall, when you go left,
when you go right.

The route where the stones are crying out

The hike starts at "The dump site of life". Here we take your exodes from Egypt onto the route to the Promised Land where we enter the "Path of love". Then we go down to the river where you experience "Rest and Cleansing"

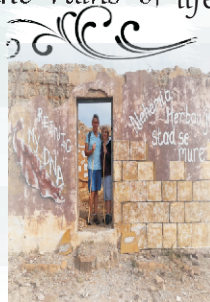

Onwards we go on the "Road of Perseverance" where our faith is tested and then we pick the "Fruit" that we will enjoy later at the "Banquet Table".

There after, we hike to the "House of Nehemiah" where our walls are restored and our DNA gets cleansed.

Then up on the hill we will past the "ruins" of life to the Cross
